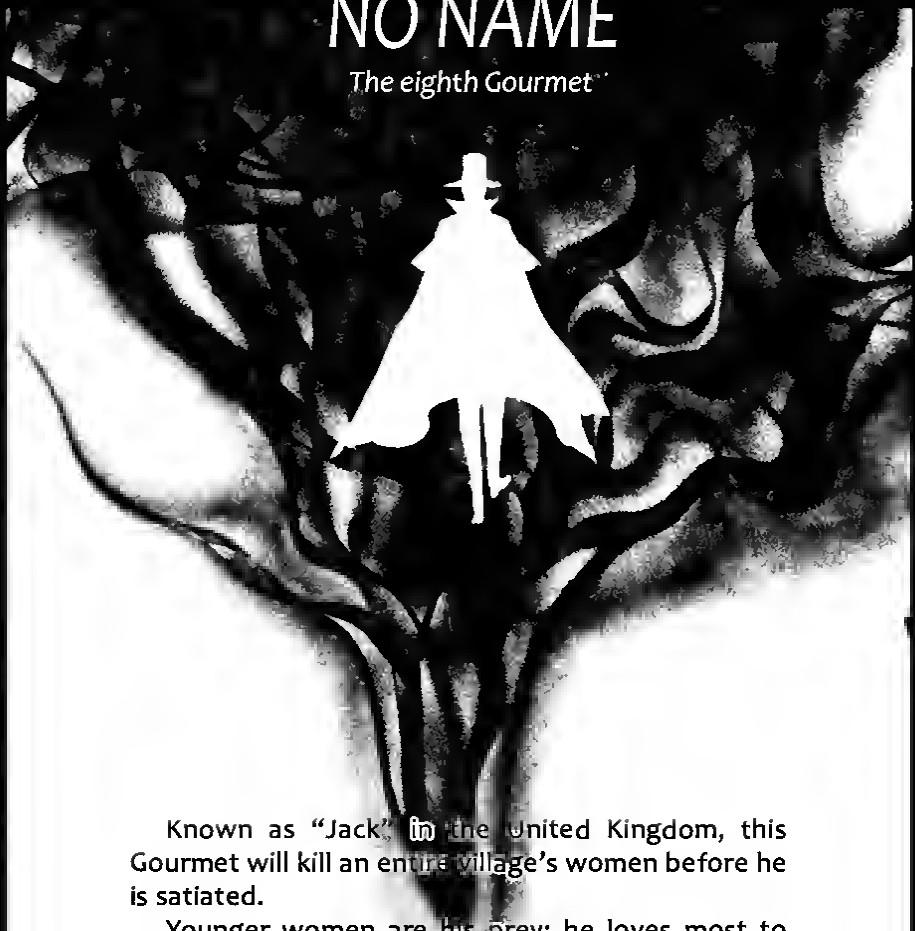
NO NAME

The eighth Gourmet



Known as "Jack" in the United Kingdom, this Gourmet will kill an entire village's women before he is satiated.

Younger women are his prey; he loves most to savour the flavour and scent of the beautiful.

Any victims he takes a liking to are sucked dry, while the rest are hacked apart brutally.

His ability to identify individuals by scent and forget none allows him to easily evade foes if he smells danger.

To this day, none have sighted this Gourmet, nor do any know his name.

Chief. Have you seen Mano, by any chance?
Knock Knock
...ZZZ
Hm ...
He is asleep.
※He is able to sense his contractor's current condition
Really?
I didn't notice he's returned ... Strange
Should I check on him?

I see
I can see why you didn't want to enter.
Kill you!!
I'M WATCHING YOU.
If you look inside, I'll kill you
I assume you loitered by the door, and decided to check his breathing after being unable to do anything, right? You're like a stalker.

Beautiful dishes are truly exquisite.
Be it the aroma
or the taste.

Don't you think?
Men tend to get in my way, so I usually get rid of them,
but I suppose an exception can be made occasionally for a rare delicacy.
BAM
... this looks bad.
Mr Hors D Oeuvre

SWISH
Mm... Not bad.
LICK
You see, there's this friend of mine,
he has a strange taste for contractors' blood. Hm, so this is the kind of flavour he enjoys.
...
Don't

What's wrong?
His heart rate is increasing.
Perhaps something is happening to him.
He could just be throwing a drunken fit.
GAAH
CLATTER
... Perhaps.

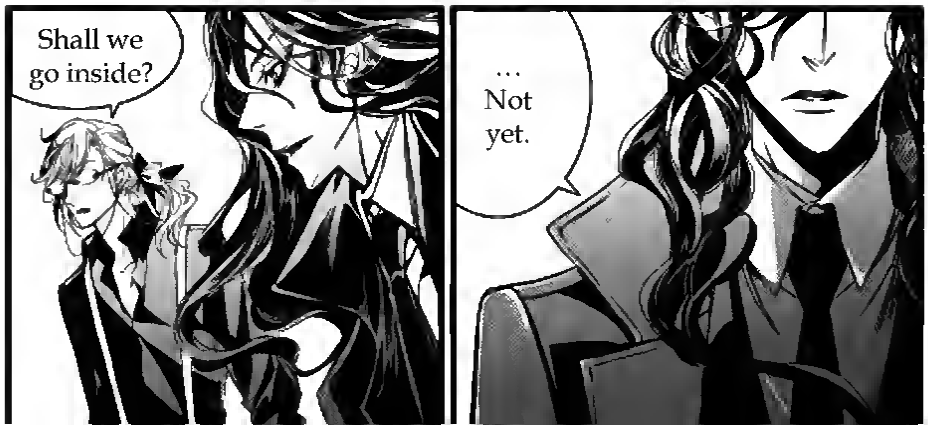
Woosh
Where is Olivia?
Beauty sleep ♥
She was fast asleep so I let her be.
Frankly, this aaall happened because of you,
STAP
so naturally you should clean up your own mess.
STAP
I'm only tagging along to watch.
If you see Eve again,
what will you do?
...I wonder.

Will I be able to
I do not know.
restrain myself?
What about you?
If the one you were waiting for appeared before your eyes,
what would you do?
...If it were me,
I'd confine her so she can't escape,
or die with her.
...Truly a scary bastard.
What a creep
.....

Is this the last one?
CLUB
Out of all the places…
tch
Indeed.
That symbol,
it's a vampire club.



Shall we go inside?
… Not yet.

...HE'S POUTING.
HMPF.
We'll go in when he begs us to save him.
So petty...
YOU'RE ACTING HIGH AND MIGHTY, BUT YOU'RE JUST POUTING.
...Hm?
Now that I think about it, did I ever explain contractors' abilities to Mano
Hey, Mano... Can you hear me?
Contractors are able to speak to each other in their head. It's like telepathy, so just talk to me as if you are thinking to yourself.
... Waaaaaah!!!
N-no, that's not it...
Is it really that shocking?

Some crazy bastard is assaulting me!!
I think he's a g-g-g-g-g-gourmet!!
Relax, you smell rather nice.
There is also this faint nostalgic scent…
As someone who dislikes troublesome things, it's rare for me to pre n a contractor
You should feel honour
…A gourmet?!
Quickly… Come quickly!! I… I'm at…
Gaaah!!! I don't care about that!!
You fool! Just…
